

SAISON 2020

&

COVID-19

Opening forecast for June 19, 2020

(unless government decision to the contrary)

We plan for this:

- Hydro-alcoholic gel hand disinfection points (for clients and staff)
- A specific reinforcement of sanitation of sanitary and rental
- A distance on the terrace (bar, swimming pool and Restaurant)
- A decrease in access to the cellar and (perhaps) an opening daily.

For your safety we ask you in exchange:

- Bring all your bedding (sheets, quilt, pillows) and bathroom linen.
- To respect as much as possible the barrier gestures (among other things too large groupings)

We remain convinced, despite all these restrictive measures, that your Black Diamond holidays can be great holidays and we will do everything for that.
